## SUMMER'S WIND DOWN~LAST WEEKS HEAT AFFECTS SEVERAL PRODUCTS

### **AVOCADOS;**

California Avocados will drop off completely before months end as well as the Peruvian crops leaving Mexico the only player. Prices will remain on the high side for the next months ahead.

California Asian Pears will be in house next week.

Small size Barttlets for school use are in as well.

### **Melon Madness!**

### **Apples;**

As usual, storage supplies are getting tight on Golden, Gala and Fuji's. California apples will be available and Washington new crop will start by months end.

### **Stone fruit;**

Expect Washington Cherries and Apricots to end without warning soon.

Yellow Peaches will dwindle first in the coming weeks. However Nectarines White Peaches and Plums will hang around. After that Washington Peaches and Nectarines will carry on until mid October or so.

**Berries; Recent heat will affect quality somewhat along with the normal migration down into Santa Maria.**

**Oranges; We have switched from Valencia's to Chilean Navels.**

Along with The Black Mission Figs we are getting some Tiger stripes too!

Luna and Durst Organics!  
Good sizing now.

## Melons and Tomatoes

**Watermelons and Yellow Watermelons** are in along with varietal melons such as Sharlyne, Canary, Galia and Crenshaws

**Tomatoes~ Production Tomatoes have not been stellar by any means. The Howellings Hydroponic Loose have been nice!**

***GRAPES:***  
*Good supplies out of Reedley and Dinuba. Recent heat has softened the Red's a bit and caused an Ambering of the Greens.*

## ASPARAGUS ~ GREEN BEANS ~ SQUASHES

New kid on the block!  
Broccoli Di Cicco!  
Extremely good vegetable and 5# feed's close to 25 people!

### Asparagus

This will be a very pricey item as Mexico winds down.

### Green Beans-

California Coachella Valley Beans,

Local beans out of Watsonville are in and beautiful, Yellow wax and

### Romano's

### Yellow Corn

Coachella Valley is in. Brentwood is shipping as well.

### Brocolini~

The prices have come down.

### Celery

Gone up due to schools starting!

### Squashes~ and Cucumbers~Peppers,

Eggplants Fresno and Local growers are coming on.

**Pardon, Shisito, Cayenne Peppers** available and the sweet frying **Jimmy Nardello Peppers!!**

## BROCCOLI ~ CAULIFLOWERS

### Broccoli ~

This market has recovered and is humming along very well.

### Cauliflowers~

Cauliflowers in all colors have recovered as well.

Romanesco is now available from several local growers

**Bell Peppers:**  
**Reds and Yellow Bells and Chili Peppers** are still **pricey while green bells are not so high.**

## LETTUCE ~ ROMAINE ~ SOFT LEAF

**All in Santa Maria and Salinas now.**

**Iceberg** recent heat wave has caused some damage, prices have

remained steady.

**Romaine** has jumped up a bit..

**Soft Leaf Products,** have remained steady.

**Spring Mix, Baby Arugula, Spinach and Baby Spinach** Baby Mizuna. Red Oak, green Oak, Tango and Lola Rosa..No problems of late!

# The Local Scene

***Some Local Growers ;***

***Happy Boy and Coke Farms , Del Rio Farms , Happy Boy.  
Luna, Espana***

***The "real deal" Yellow Crookneck Sq. from Molinari Ranches  
Gilroy remains awesome!***

Doing our best to supply an Organic Solution
